VISIT
NORWAY
.NO

We take over the city

Kragerø is free of chains; you only find small boutiques. After a little shopping event it is time for exceptional food.

Sausage Party!

Our city butcher is well known for his self made sausages. 48 tasty species get sausage lovers to take their way to Kragerø.

What kind of experience do you like?

Here are some of the opportunities

Expedition in art and culture

E. Munch painted some of his masterpieces here in Kragerø. We show you what inspired the artist.

Outside on the sea on Jomfruland

After a ferry ride, we will be taken by horse and wagon and drive to a unique beach of the rolling stones.

Visit a typical farm

Ann Kristin Wiik welcomes you to a farm visit on Langøy. Get known with this family and their life on this fantastic island.

Seal safari

Join an exclusive safari in Kragerø Archipelago. Seabirds float around the boat and on most of the tours you will see seals which laying lazy on the rocks.

Fishing

It is not far from one to another of the good fishing spots in the archipelago Kragerø, and you do not have to go far beyond to snatch.

We are visiting Geopark

GEA NORWEGICA Nature Park is Scandinavia's first approved geopark. Kragerø is a paradise for those who are interested in geology. We can take you to the Jomfruland and Langøy.

Proposal for an adventurous business trip

DAY 1 After landing at one of the airports near Kragerø community you will be taken by bus. After you checked in we meet for lunch, followed with a large package of fresh air. A ferry trip in the archipelago is as balm for body and soul. We do a beach blow on Langøy, and visit a farm with many different animals. It is served refreshments before we get to the ultimate peak of the day- visit to the Grevinne Wedels mine. Enjoy a typical Norwegian Dinner with sour cream porridge and cured meats on the menu. We serve Norwegian spring water and/or mine vine, countless schnapps and beer from local brewery.

DAY 2 After breakfast you will have some time for shopping in the old center of the city. A guided tour to the places Edvard Munch created some of his famous paintings will end this morning. On the MS Kragerø we will serve a sailor lunch with crab, prawns and fish soup. The last island before the open sea is Jomfruland. We will pick you up with horse and wagon and bring you to the other side with the rolling stones. Feel the spirit of wind and water which shaped this wonderful kind of nature. Taste Jomfruland schnapps here and end this day with an amazing menu in our gourmet restaurant Tollbodden, right next to the water in the heart of Kragerø.

DAY 3 Time to say goodbye. You will go home with lots of memories and we hope to see you again

Culture island Skåtøy

People on the island are proud of the magnificent church which is known as the Archipelago Cathedral. Skåtøy cafe and gallery is also well worth a visit.

Mine walk on Langøy

It is like walking into a time machine, which takes us back several hundreds years in the local industrial history.

Antiquities

Kragerø has one of the most Special and extensive antiquities shop. We have to go in a slow march because of the small gangways between all those old curiosities.
